*CGI Storyboards*

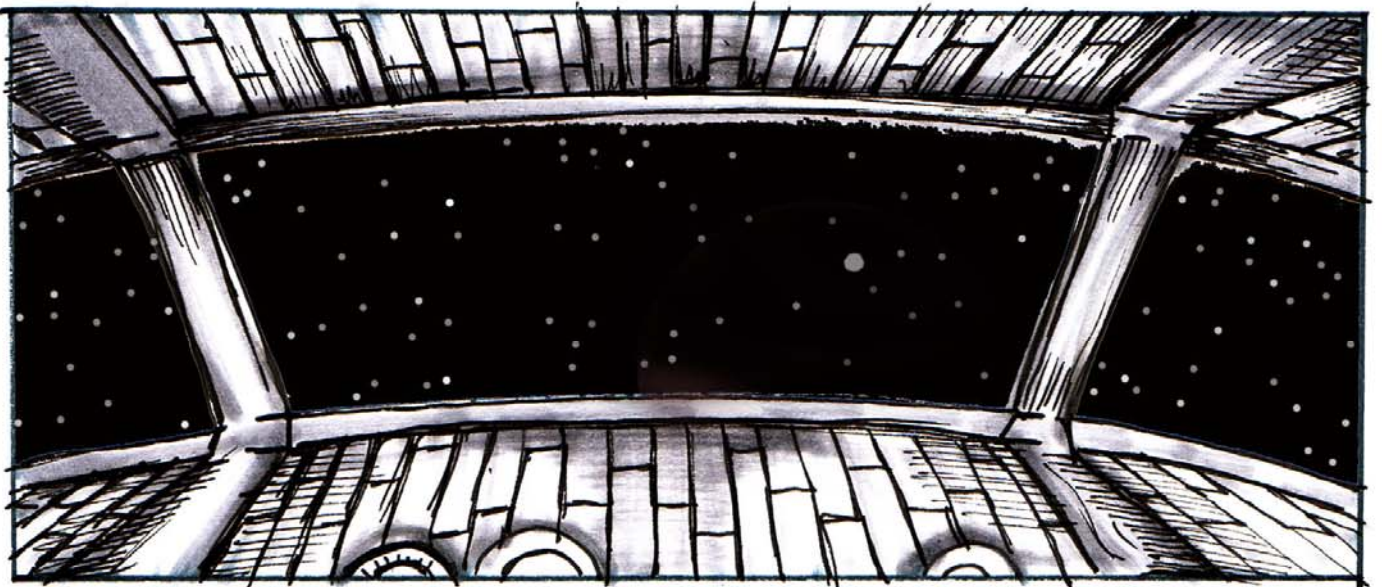

*Artist*  
**RUSSELL OWEN**

*Director*  
**FIONA CUMMING**

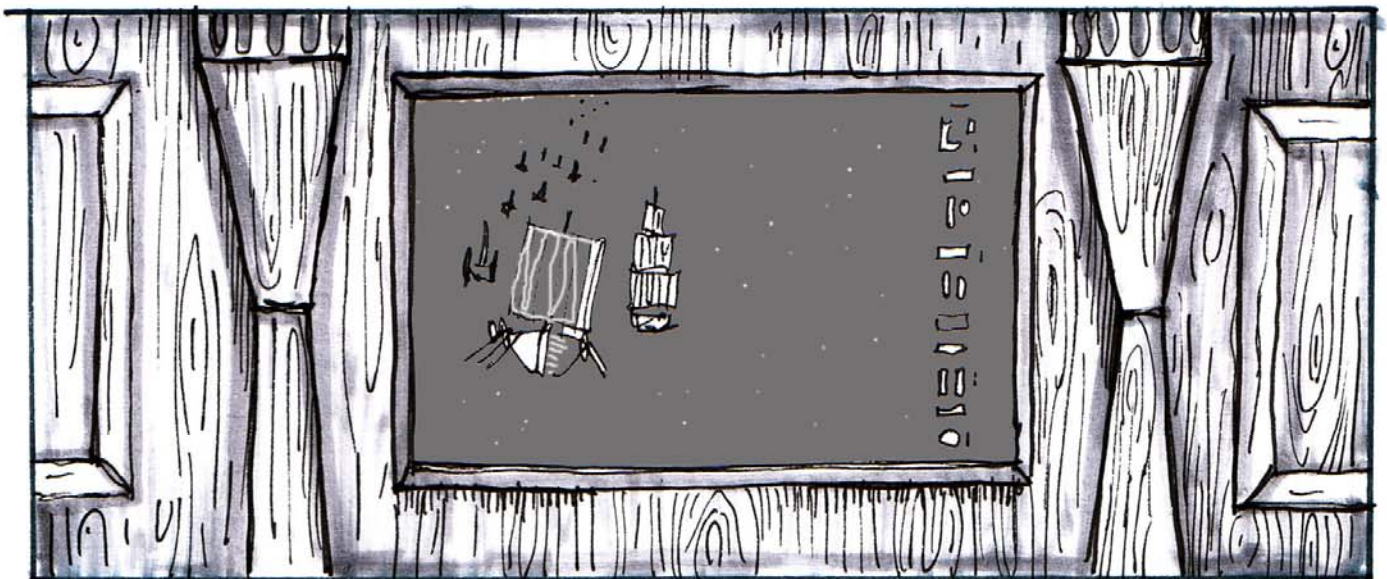

*Producer*  
**BRENDAN SHEPPARD**

TARDIS spinning in time Vortex, bombarded by white energy seeping inside.

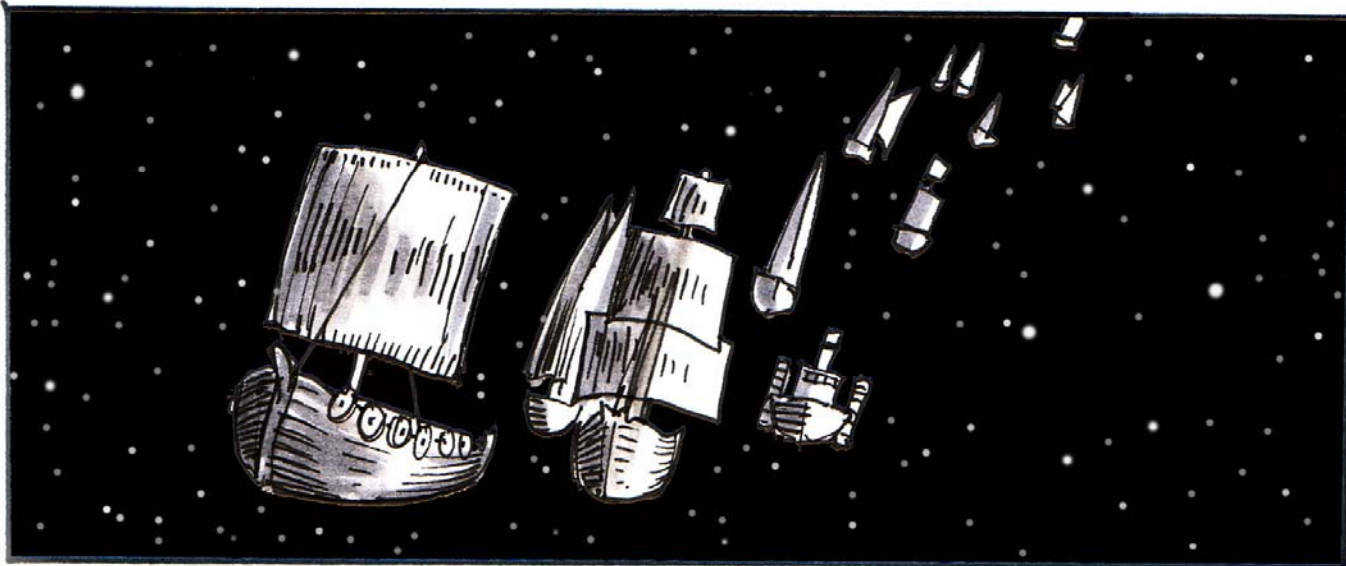

Bridge window showing space... Slight rocking to shot.

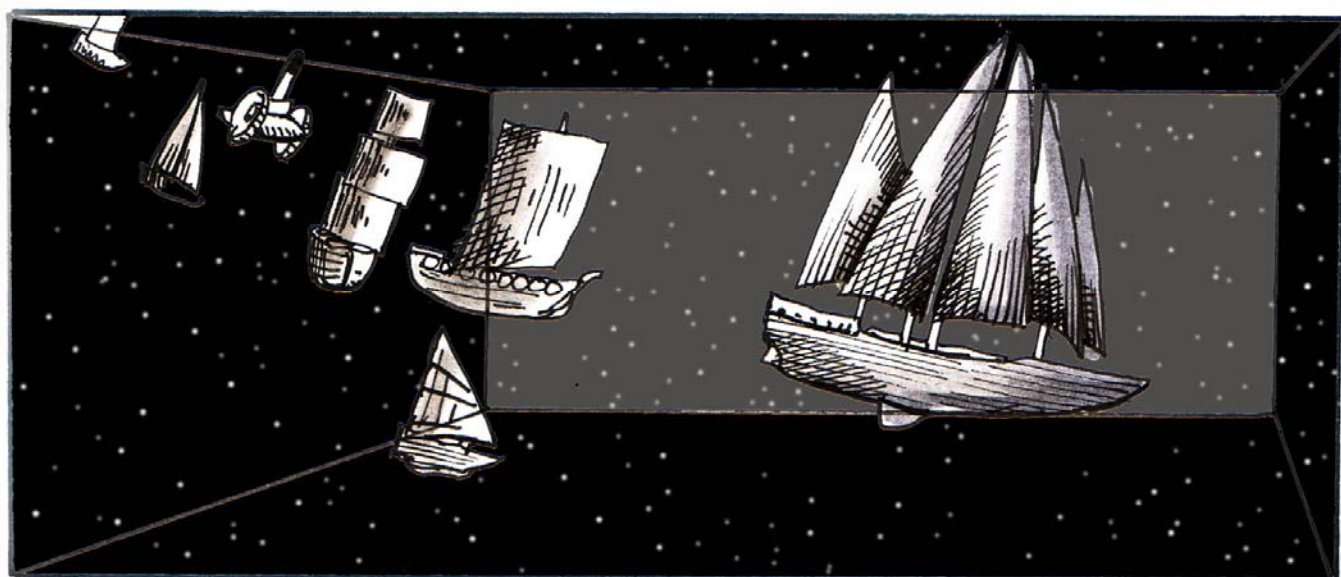

Wall panel dissolves revealing scanner screen. A galleon of ships trailing away.

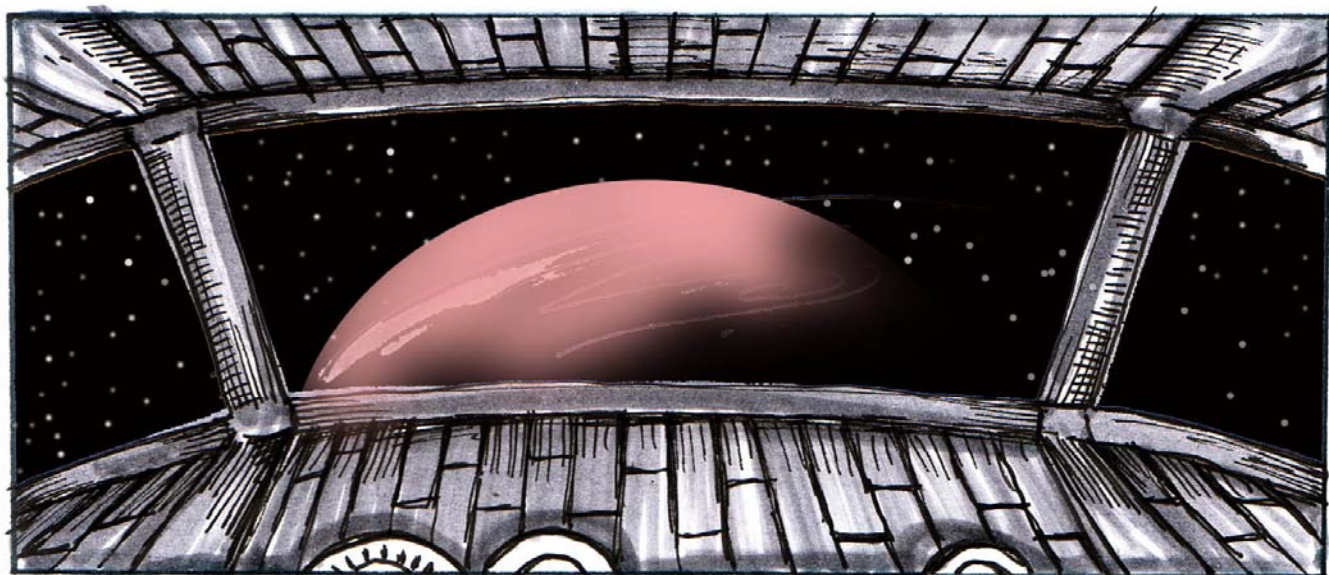

9

EXT. Ships as in scanner screen but from exterior.

10

EXT. C/U of Shadow. We pull back to a wide revealing all the ships.

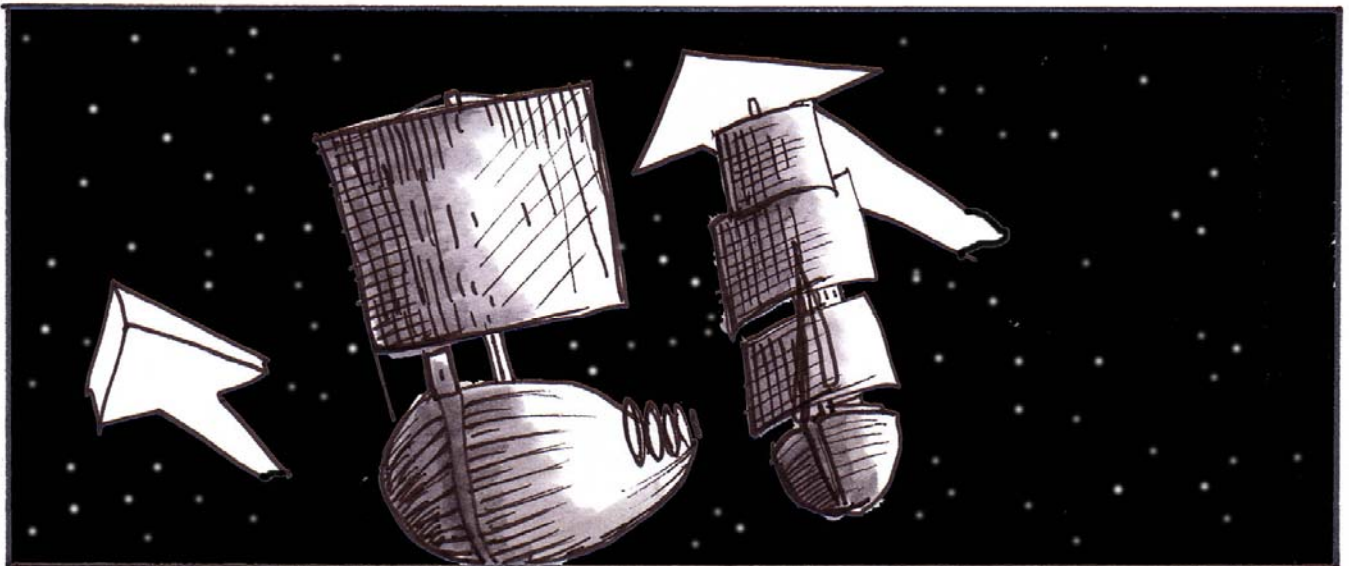

11

INT. Shot through bridge window, Venus draws closer.

EXT. Venus in the background, the Shadow moves in close camera R.

EXT. The Greek Ship closer to frame, Buccanner chasing it closely.

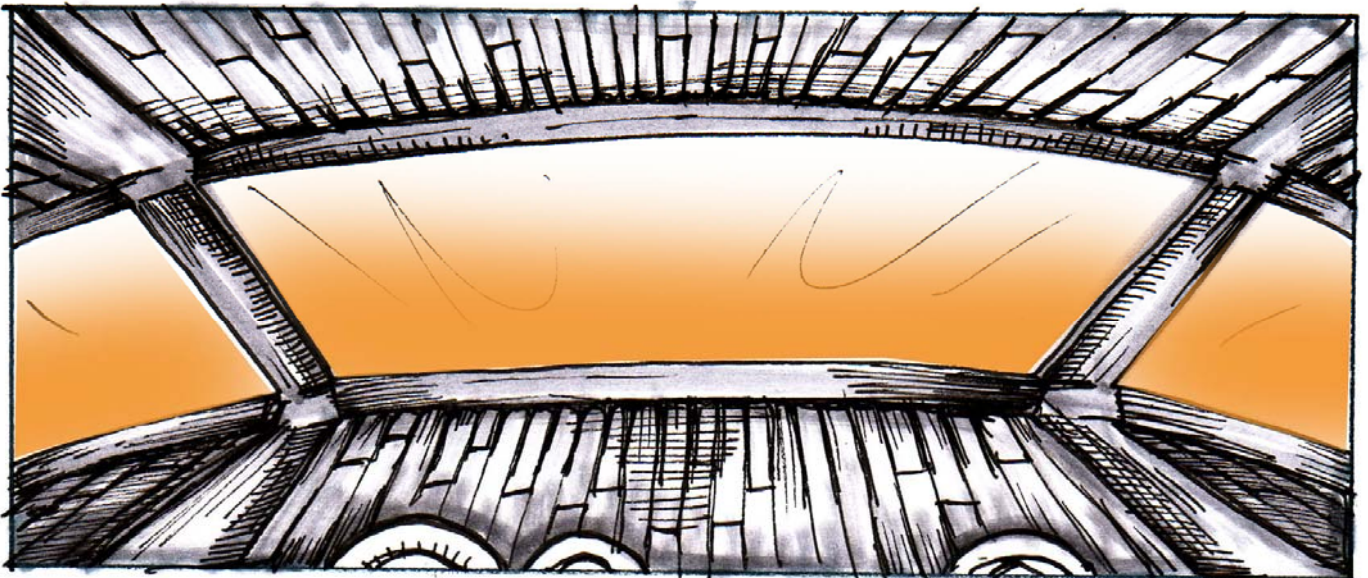

INT. Bridge window of Shadow as it enters Venus' atmosphere.

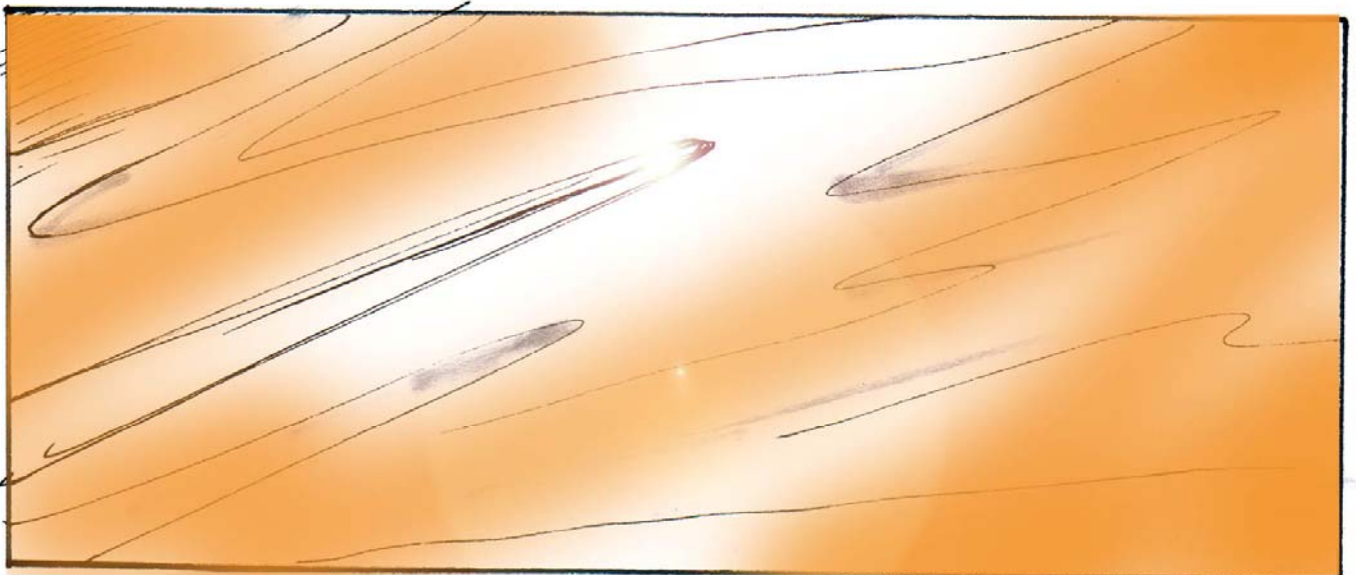

16A

EXT. We see the Shadow disappearing into the misty atmosphere (could be a wide)

17

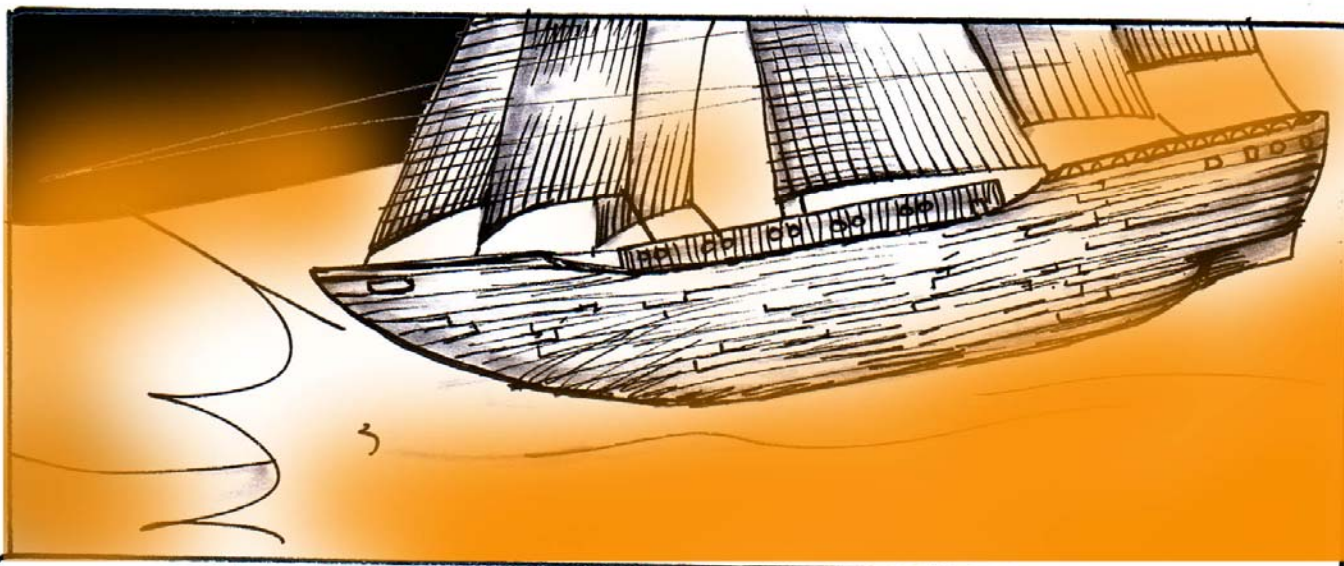

INT. Shadow Bridge. Orange gases run past window.

18

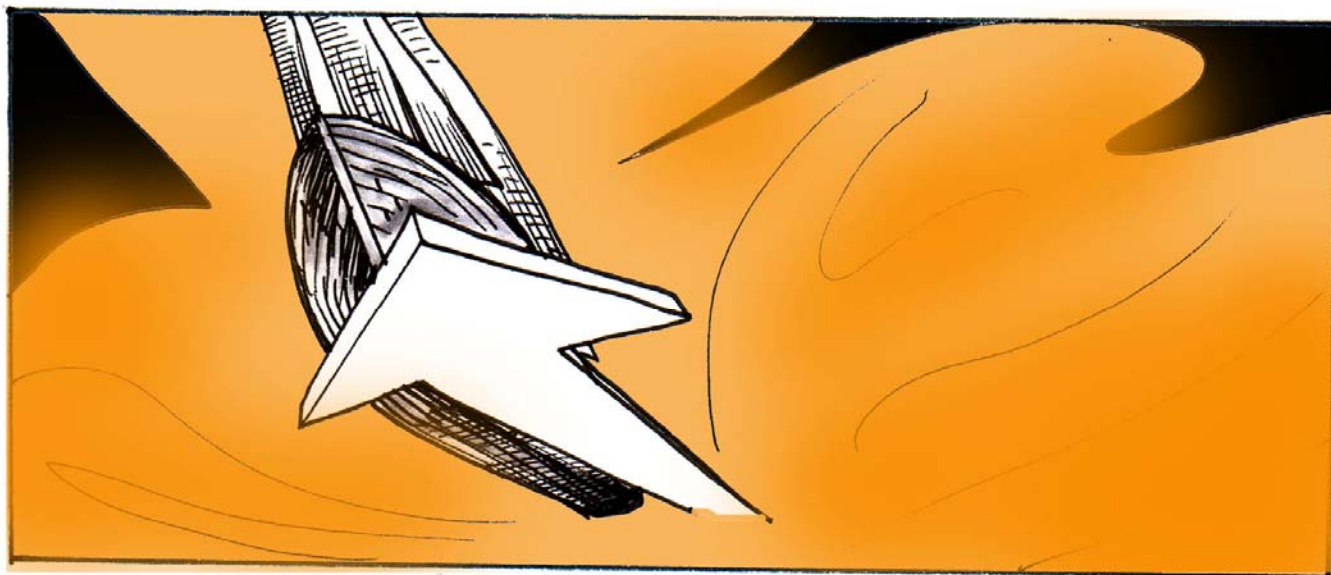

EXT. POV from surface of Venus. Bright white light streaks the sky, it's the Shadow.

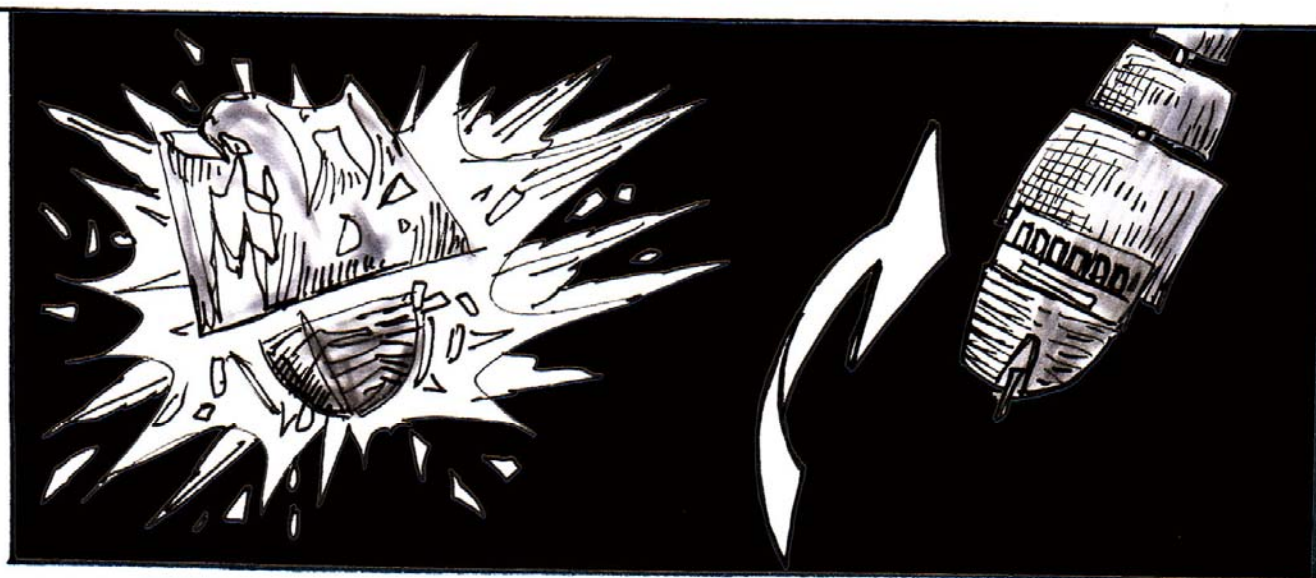

20

EXT. Shadow is red hot and bounces of the atmosphere in a jerk.

21

EXT. Shadow suddenly bursts out of the atmospheric gases.

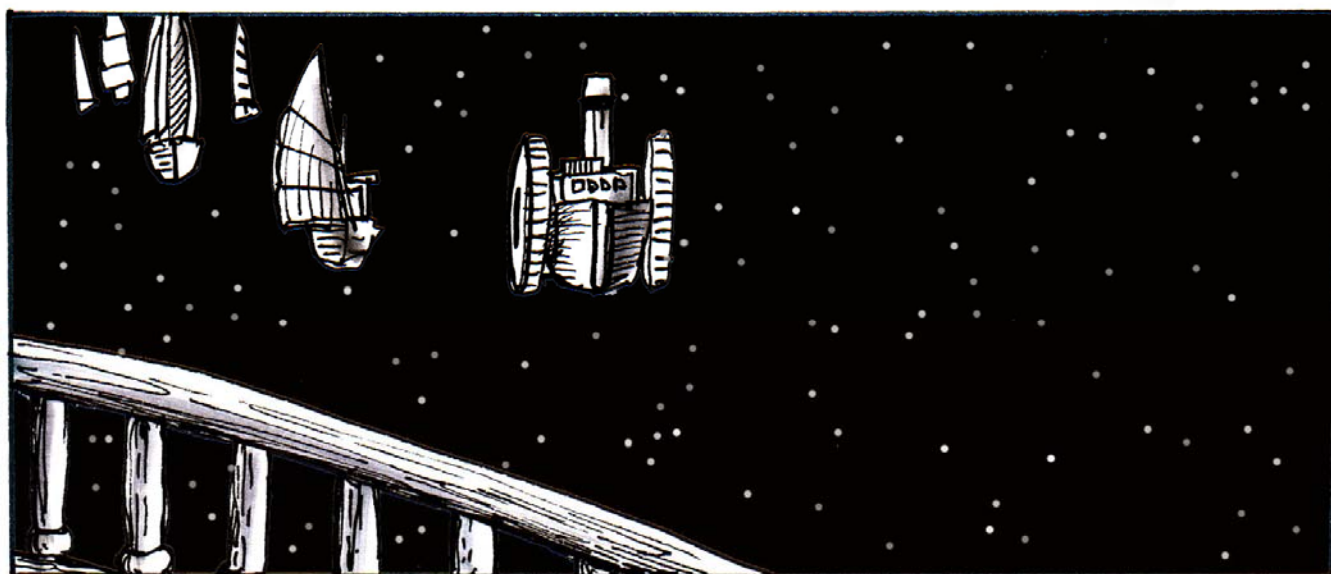

24

EXT. Buccaneer veers away from Greek ship as it explodes.

27

EXT. POV of TEGAN and MARRINER... Sails of Shadow, shield over shadow.

29

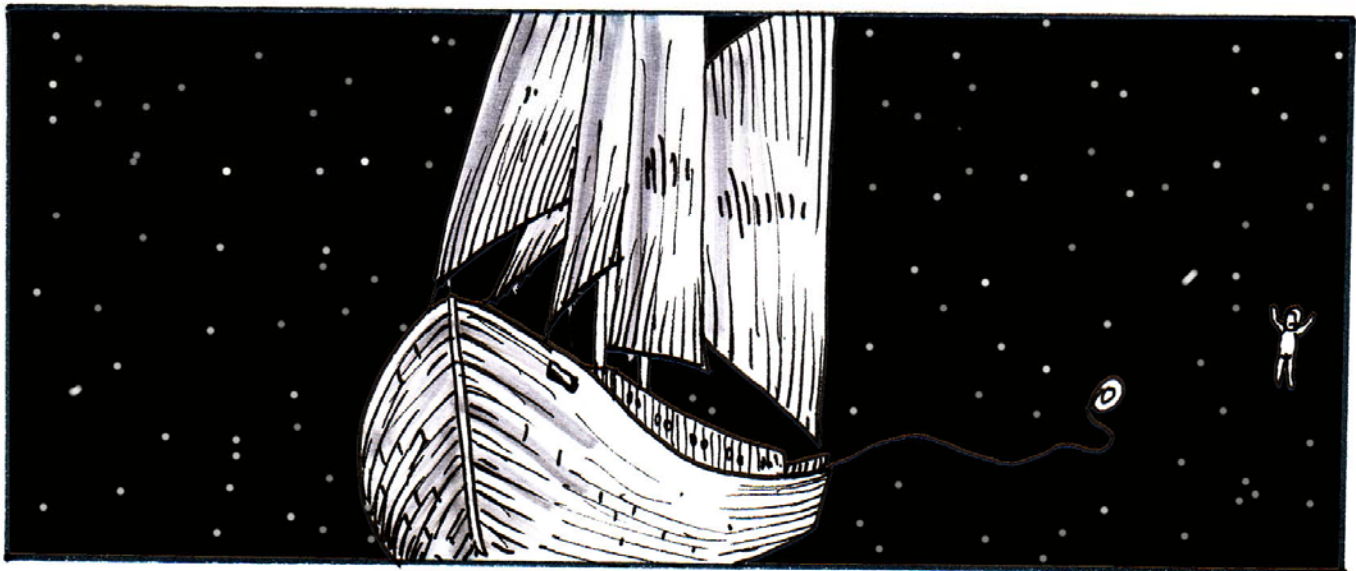

EXT. CGI shot of the other ships racing towards them.

30A

EXT. Shadow from above, moving through centre of the shot. Life rings leaves ship.

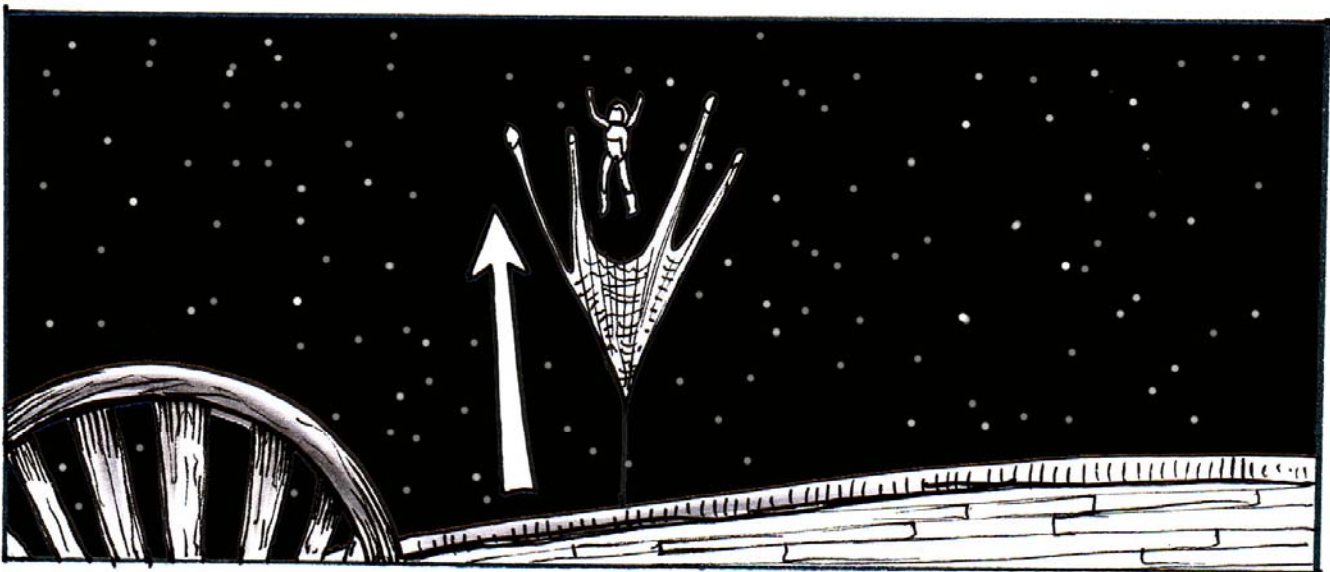

31

EXT. Shadow from the front, Life ring floating out, we pan towards the life ring.

32

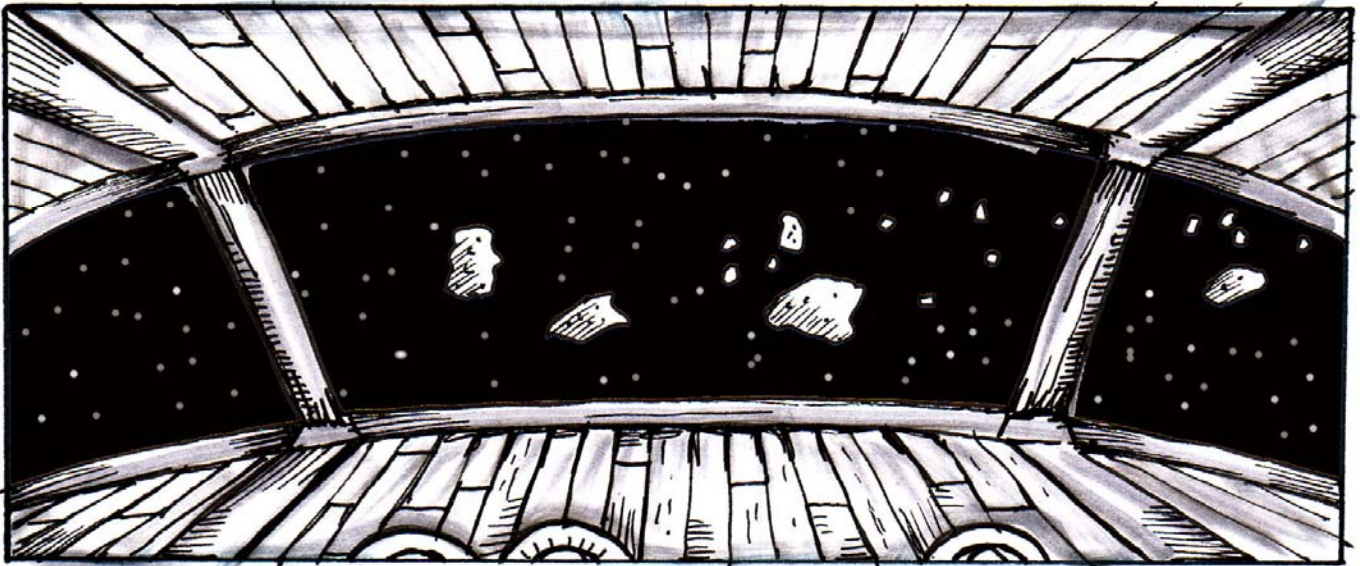

EXT. Buccaneer's logo goes in and slides back. Net shoots out towards camera.

32 A

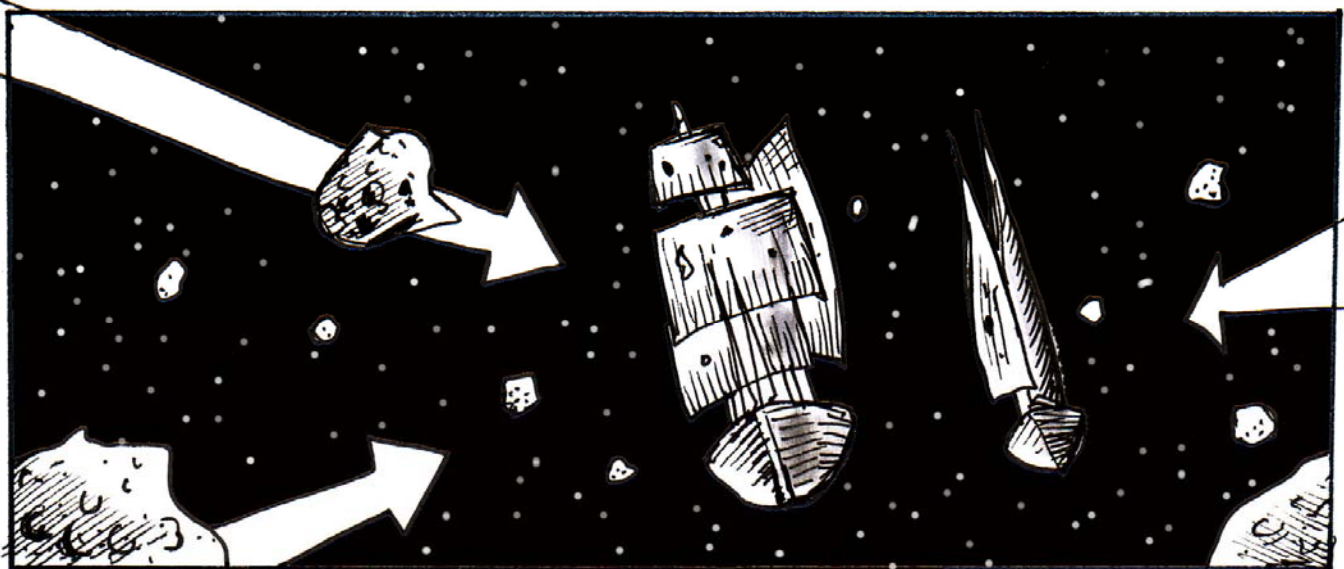

EXT. POV from crows nest as net grabs a CGI TURLOUGH.

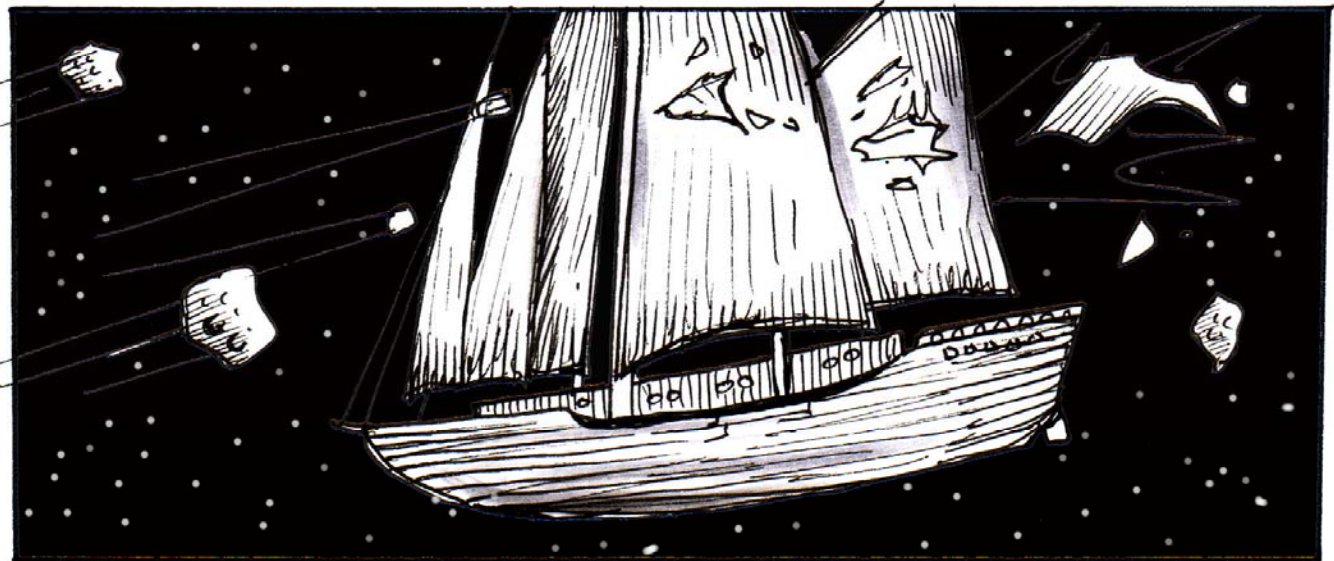

35

INT. Bridge window of Shadow as asteroids approach.

35 A

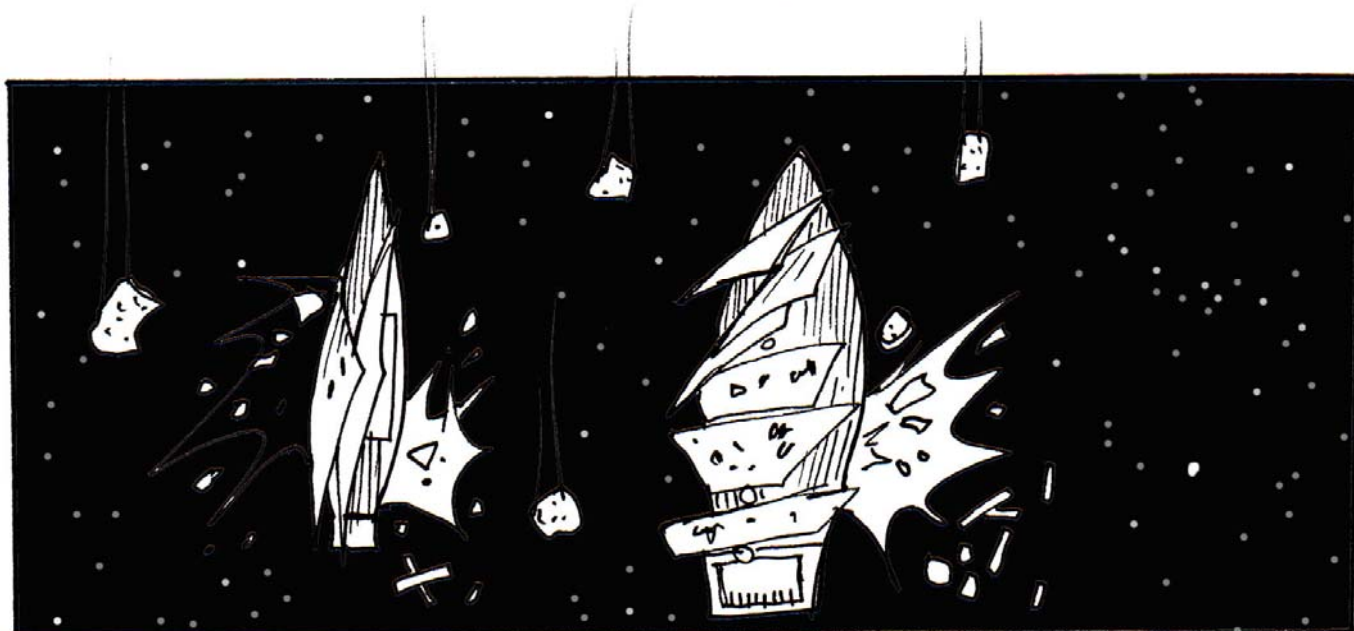

EXT. POV of asteroids as they head towards Buccaneer and Davies ship, ripping sails.

35B

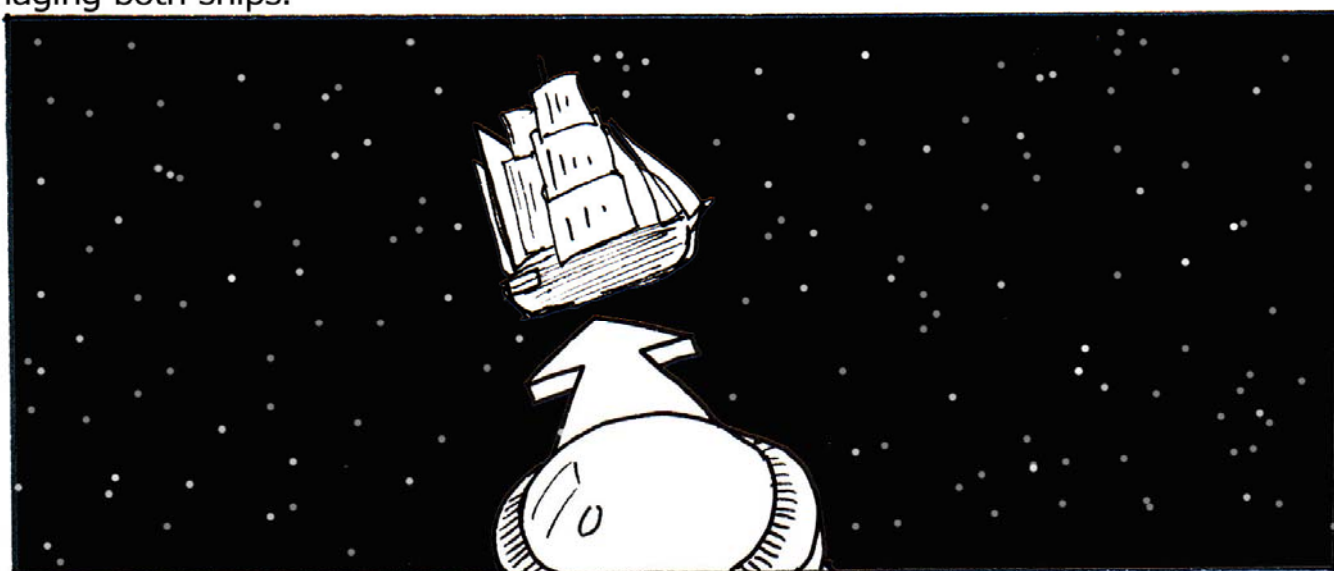

EXT. Shadow, as ther asteroids break through force field and break sails.

36

EXT. We see Buccaneer and Davies ship from above, tracking R to L, we see the asteroids damaging both ships.

40

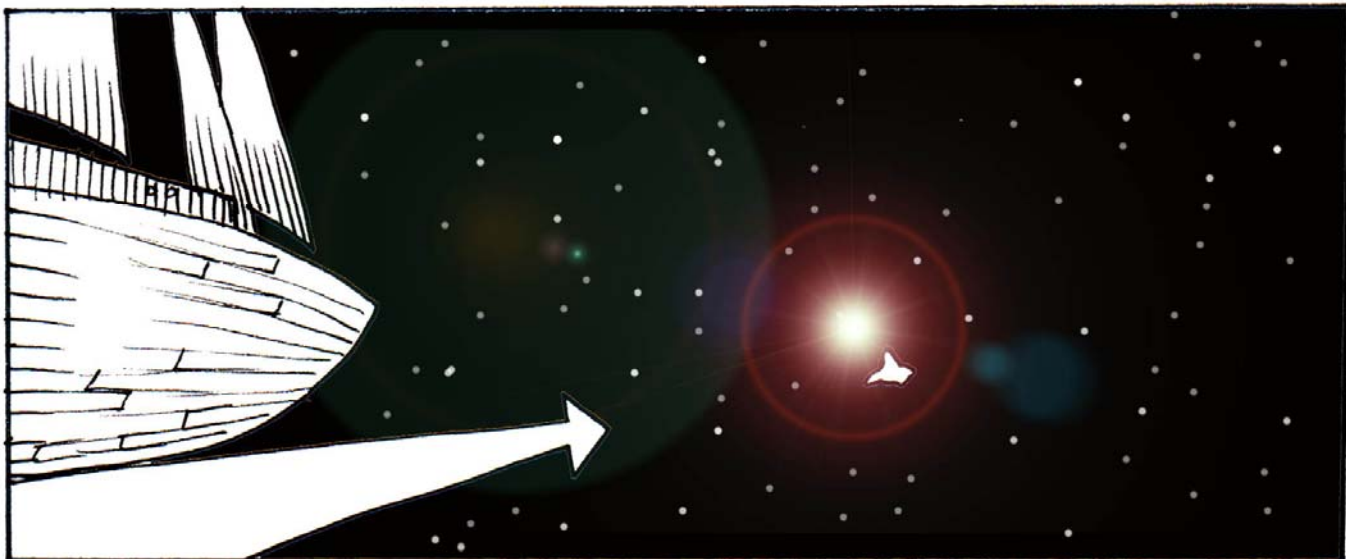

EXT. Camera is above lifeboat, then tilts up to follow it's course, the Buccaneer.

54

EXT. Enlightenment... C/U of the tip then pull back to reveal it's beauty.

51

EXT. Space with a distant light (Enlightenment) The Shadow roars into frame very close.

72

EXT. C/U on Harbour, pull back to reveal Buccaneer and lifeboat approaching.
